**"Join Little as she takes us from Rome to Tivoli, Florence, Naples, and Orvieto. Explore Italy with her--Roman ruins, olive groves, and odes to lovers crumbling into the sea. Share prosciutto and tagliatelle and meet the Italian people that show Little their land and their love. In this multicultural story of self-discovery, journey with a young girl returning to her homeland, a country that, like her, is trying to find its future without losing its past." - Gabriella Contestabile, best-selling author of Sass, Smarts, and Stiletos**

**"Flavia Brunetti has woven a lyrical tale of self-discovery and growth, tied together with the strength of familial bonds, which transcend place and time. A lovely read." - Michelle Fabio, author of the award-winning blog Bleeding Espresso**

**"All the Way to Italy perfectly reflects the indissoluble cultural link between Italy and the United States. It is a picture of the embrace between two peoples, two cultures, two nations--each with its own identity but with a common cultural path that links Italy and the USA even more than history has already made possible." - Corrado Maria Daclon, Secretary General, Italy-USA Foundation**

**L'AUTORE**

Born just outside of Rome, Flavia Brunetti grew up bouncing back and forth between Italy and California, eventually moving back to the Eternal City and confirming her lifelong commitment to real gelato. Flavia holds a Master of Arts degree in Government and Politics from St. John's University and a Bachelor of Arts in Political Science from John Cabot University. Today she travels the world working for an international humanitarian organization and spends her free time writing and wandering around her beloved Roma in constant search of bookstores and the perfect espresso.
