

SAGGISTICA**ONE COUNTRY UNDER BLOOD**di *Antonio Ciano*

“One Country under Blood” debunks the myth of a happy unification of Italy. What was made to pass as a struggle for independence, was truly an invasion perpetrated by the House of Savoy and its masonic affiliates with the connivance of the Mafia and Camorra cartels. After the annexation of the Kingdom of the Two Sicilies, the riches of southern Italy were transferred to banks in the north to fuel the industrial development of Lombardy and Piedmont. Disfranchised and impoverished, millions of southern "Italians" had no other choice but to turn into outlaws or leave their ancestral homeland and immigrate to the United States, Australia and Southern America in search of a new beginning.
