

**BAMBINI****THE CHILD FAR AWAY**

di Jason Ray Forbus

*Once upon a time there was a little strange boy on my island. He had no name, no place to go. At night he slept at the lighthouse and dreamed of the sea...*

Thus begins the extraordinary adventure of a child who will have to face incredible challenges at sea before reaching the great waterfall... This is a story about the power of dreams and the ability to forge one's own destiny.

Enriched by wonderful color illustrations, the book also contains a link to download the music version of the fairy tale, which will give you and your child a truly immersive experience in a world filled with magic.
