

SAGGISTICA**TOURISM IN AFRICA****Development and inequality. Ediz. italiana e inglese**
di *Riccardo Pelizzo, Abel Kinyondo*

Tourism industry has experienced a massive growth at the global level over the past two decades. The growth of the tourism sector has been faster in Africa than in the world as a whole. Given its rapid growth and its increasing importance, scholars, practitioners, policy makers, and tourism professionals have started paying increasing attention to Africa. This book seeks to provide yet another opportunity for Africa's tourism sector to be better understood particularly in the context of how it can aid development and reduce inequality.
