YOUNG PEOPLE GROWING UP: CHILDREN'S EDUCATION IN THE FEDERATION OF COMMUNITIES

di Stambecco Pesco (Silvio Palombo)

How do Damanhurians educate their children? According to what values? What does it mean to guide them towards their future choices? This is the story of what it means to be parents living in a community, seeking and finding formulae to help their children be happy and independent. Damanhur, with more than forty years of history and thousands of followers all over the world, is a social and spiritual experience that has a lot of stories to share with the reader. "Damanhur Con Te" represents a way to collect them and tell them so that you can take away with you a small piece of the wisdom - or the foolishness, it depends on how you look at it - that has led us in this adventure.
