THE DAMANHURIAN VERSION OF RISK: A GAME FOR GETTING TO KNOW OUR TRUE INNER STRENGTH

di *Coboldo Melo (Roberto Sparagio)*

A game of intimidation, persuasion, suggestions, that teaches you to think simultaneously with many kinds of logic. It is a game with an infinite number of tricks to be continuously invented. As in our own existence, in Damanhurian Risk, everything is put together with everything else and there are no separate realities. Damanhur, with more than forty years of history and over a thousand members worldwide, is a social and spiritual experience with many stories to tell. "Damanhur Con Te" is a way to collect, share and bring home pieces of the wisdom—or the foolhardiness, depending on how you look at it—that has guided us on this adventure.
