

**SAGGISTICA****FORGIVING AN "ENEMY" - THE POWER OF LETTING GO OF YOUR ANGER & RESENTMENT**di *JAMES KWAKU ADJEI-BUOR*

To gain God's blessings and live a peaceful and meaningful life, a Christian must come to truly understand the concept of letting-go in order to find peace in the Biblical perspective of forgiveness. Forgiveness is essential if you want to keep your peace and prevent the poison of bitterness taking root in your heart.

L'AUTORE

In this book, Dr. James Kwaku Adjei-Buor powerfully makes it clear that whenever you hold resentment against someone and withhold forgiveness, the enemy gains free access to your soul to sow bitterness, insecurity and even goes on to erect an improvised barrier to prevent you from blessings that the Lord Jesus intends to bestow on you.
